# FRAMEWORK HYPOTHESIS

- 1. Figurative framework**
- 2. Non-literal elements**
- 3. Non-sequential events**
- 4. Age of earth position**

**“... advocates of the framework interpretation argue that the six days are not literal days but frames arranged into two panels. They provide a literary structure in which the creative activity of God is topically narrated according to the theological concerns of the author. The complete seven-day framework is a metaphorical appropriation of lower-register language denoting an upper-register temporal reality. ...” L. Irons**
