Arnon River  
view to NE

A serene sunset scene over a large body of water. The sun is a bright, glowing orb positioned just above the horizon, casting a shimmering, golden path of light across the water's surface. The sky is filled with soft, wispy clouds, some of which are illuminated from below by the sun, creating a warm, golden glow. The overall atmosphere is peaceful and contemplative.

**Bethlehem  
from Ramat Rahel**

An aerial photograph showing a panoramic view of Bethlehem, Israel, from the Ramat Rahel area. The city is densely packed with buildings and is situated in a valley. A winding road or path is visible in the foreground, leading towards the city. The surrounding landscape is hilly and somewhat arid, with sparse vegetation. The sky is clear and blue.
