Sea of Galilee

A photograph of the Sea of Galilee at sunset. The sun is a bright yellow-orange orb on the right side of the horizon, casting a long, shimmering reflection across the water. In the foreground, a dark pier structure with several vertical posts and a truss bridge section extends into the water from the left. The water is dark blue with gentle ripples. The sky is a gradient of orange and yellow, fading into a pale blue at the top. Distant hills are visible on the horizon.
