“Hitler believed that primitive Christianity was the ‘first Jewish-Communist cell.’ The Nazis therefore propounded their own Millennium . . . The 1000 year Reich was propagated as a counter culture millenarianism directly opposed to the very originators of the millennial/apocalyptic worldview—Jews and Christians.”

“[The dispensational] view of history is anti-humanist and anti-developmental. . . . Change takes place almost solely through dramatic **divine intervention. . . . Modern historiography assumes that human and natural forces shape the course of history. . . . These totally opposing views of history lay at the heart of the conflict and misunderstanding between theological liberals and their fundamentalist opponents.”**
