Dan 9:27 “And he will make a firm covenant with the many for one week, but in the middle of the week he will put a stop to sacrifice and grain offering; and on the wing of abominations will come one who makes desolate, even until a complete destruction, one that is decreed, is poured out on the one who makes desolate.”

HISTORY OF ISRAEL

A photograph of the Sea of Galilee at sunset. The sun is a bright yellow orb on the right side of the horizon, casting a long, shimmering reflection across the water. In the foreground, a dark pier structure with several vertical posts and a truss bridge section extends into the water from the left. The sky is a gradient of orange and yellow, and the water is dark with some ripples. A line of buoys is visible in the lower-left foreground.
