II. Exposition of Genesis 1

A photograph of the Sea of Galilee at sunset. The sun is a bright yellow orb on the horizon, casting a long, shimmering reflection across the water. In the foreground, a dark metal pier structure with several vertical posts and horizontal beams extends into the water. The sky is a gradient of orange and yellow, and the water is a deep blue with gentle ripples. The overall mood is peaceful and serene.

**God as Creator means we
are accountable to Him.
Praise Him as Creator**
