## Mediterranean Sea

An aerial photograph showing the Jezreel Valley. In the foreground, a hillside with green vegetation and some trees leads down to a cluster of ancient ruins, identified as Megiddo. The ruins consist of several large, light-colored stone structures, some with flat roofs, and are surrounded by palm trees. A dirt road or path winds through the green fields in the lower right. The middle ground is a vast, flat valley with patches of green and brown, likely agricultural fields. In the far distance, a city skyline is visible on the horizon under a clear blue sky.

A photograph of the Sea of Galilee at sunset. The sun is a bright, glowing orb on the right side of the horizon, casting a long, shimmering reflection across the water. In the middle ground, a bridge with several arches spans the water. The sky is a mix of orange, yellow, and blue. The water in the foreground is dark and calm.
