Colosseum

A photograph of the Arch of Constantine in Rome, Italy. The arch is a large, ancient stone structure with multiple arches and intricate carvings. It is surrounded by a metal fence, and a large group of people is gathered in front of it, some sitting on the ground and others standing. The sky is blue with white clouds, and there are green trees in the background.

A photograph of the Sea of Galilee at sunset. The sun is a bright, glowing orb on the right side of the horizon, casting a long, shimmering reflection across the water. In the middle ground, a long pier with several truss-like structures extends from the left towards the center. The water is dark blue with gentle ripples. The sky is a mix of orange, yellow, and light blue. In the far distance, low hills are visible under the twilight sky.
