A photograph of the Sea of Galilee at sunset. The sun is a bright, glowing orb on the right side of the horizon, casting a long, shimmering reflection across the water. In the middle ground, a long pier with several arched metal truss sections extends from the left towards the center. The water is dark blue with gentle ripples. In the background, low hills are visible under a hazy, orange-tinted sky. A curved line of buoys or a breakwater is visible in the lower-left foreground.
