A photograph of the Sea of Galilee at sunset. The sun is a bright, glowing orb on the right side of the horizon, casting a long, shimmering reflection across the water. In the middle ground, a long pier with several truss bridges extends from the left towards the center. The water is dark blue with gentle ripples. The sky is a mix of orange, yellow, and light blue. In the foreground, a curved line of buoys or a rope is visible in the water.
